Harvesters are being prepared in Sudan, the country of sand. We had the joy of seeing first hand what God is doing in this wartorn country. Though there is still fighting in areas like Darfur, and a power struggle for oil in Central Sudan, behind the scenes the Lord is at work, building a team of leaders for His church in Southern Sudan (now also known as New Sudan).

## Winds of change blowing in Sudan

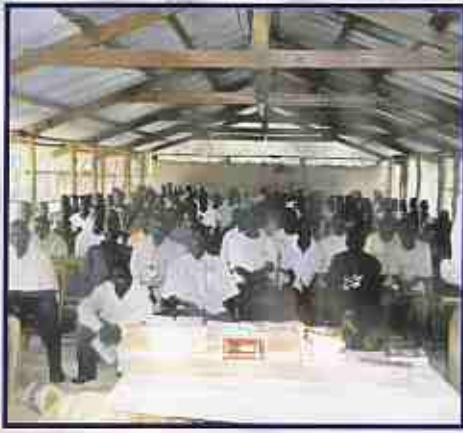

**Left:** *The director of Wheels for God's Word arrives in Sudan via MAF.*

**Right:** *The meeting was set up with the leadership of the mainline evangelical churches, SEA (Sudan Evangelical Alliance). After training these pastors how to use the Heart of Man chart effectively, a church service was held the Sunday morning. Much to our amazement, the military leaders of the Sudan People Liberation Army (SPLA), attended the church service and everyone present committed their lives to Jesus Christ during the time of prayer.*

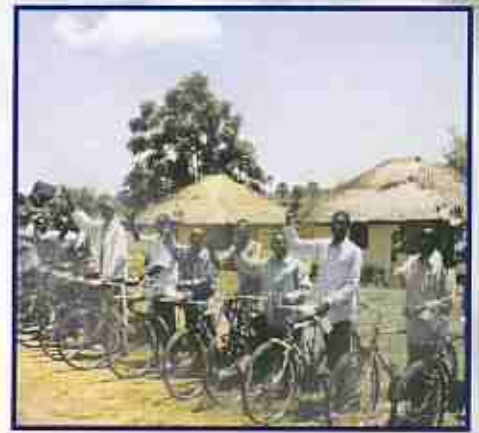

**Left:** *What followed then was very precious as Wheels for God's Word had the opportunity of giving training at Goli to pastors from the whole of South Sudan.*

**Right:** *Discussion groups (ministers) after a training session. (Photo: Outside of Bible school).*

**Left:** Training of pastors and evangelists inside Goli Bible school. These represent areas such as Rumbek, Kardufan, Nuba mountains, Bahr-el-Ghazael, Bor, Blue upper Nile, Abyei as well as Yei. Unreached tribes such as Buya, Murle, Toposa, Jur, Dongotonga, Jieh, Mabaan etc..

**Right:** As always the exciting moment when bicycles (wheels) for the Lord's work are received. In total 90 bicycles were made available for Sudanese pastors and evangelists.

**Left:** Bicycle maintenance kits were also received with great thankfulness and appreciation.

**Right:** More bicycles arriving at Goli!

## The Heart of Man Chart is unique in that...

*It is attractive:*

It catches the attention.

*It appeals to the heart for repentance:*

The only way to obtain salvation from God's judgement is communicated.

*It is complete:*

It pursues an idea up to a decided or planned goal e.g.: hell for sinners and heaven for believers.

*It does not exempt anybody:*

It addresses a sinner, encourages a believer, warns Christians of the dangers of backsliding and provides a way for restoring a backslider.

*It is simple:*

Not complicated. Its message can be understood easily by the listeners.

*It is suitable to all societies:*

The rich and the poor ; men and women ; young and old.

*It is necessary:*

It reflects what is in the heart of man, and so anybody can check the situation of his / her heart.

*It is authoritative:*

Its message cannot be ignored unless one stubbornly refuses to hear from God.

## Get involved...

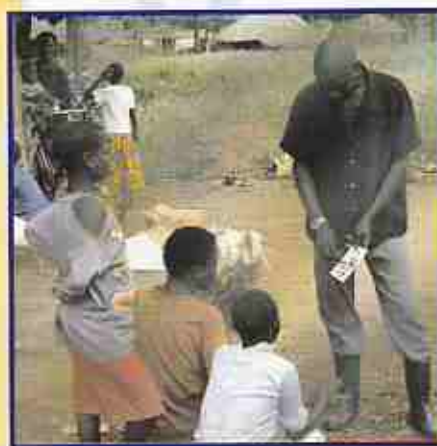

Your involvement in God's work is of paramount importance to reach the whole continent of Africa for our Lord Jesus. We must carry on "until all have heard..." the wonderful news: the good news of the Gospel of Jesus Christ.

You are invited to give a once off R 700.00. That will sponsor a whole package for a pastor in a particular country. You may alternatively decide to use the debit order form, which means R 60.00 per month will be debited from your bank account. This will ensure that each year a pastor is sponsored, should you so wish to.

## TESTIMONIES

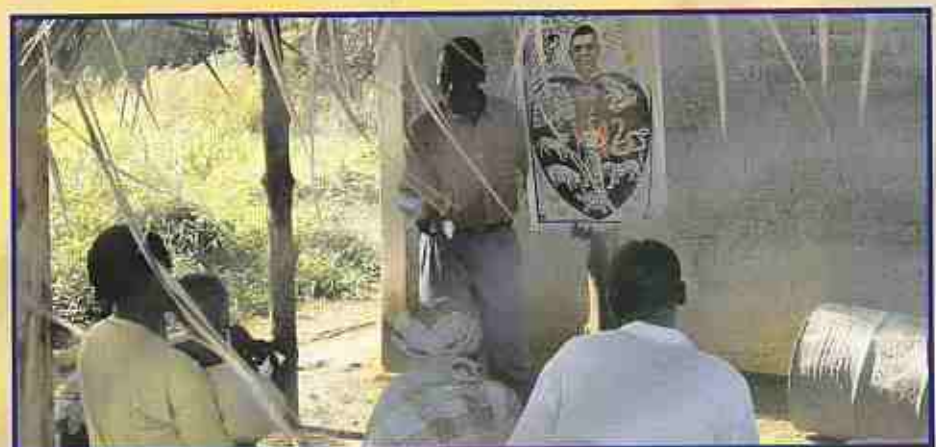

See what God is doing

Almost immediately after arriving back in South Africa, testimonies from Sudan started pouring in. Preachers can be seen evangelizing towns and villages, because they have the "tools" to present the Gospel and the means of reaching these villages.

*Right & far right: (1) Daniel sharing the Gospel with a woman at the marketplace. (2) Evangelism team ready for action in Yei. (3) Evangelising at a clinic in Yei.*

*Pray for the workers in God's vineyard in Sudan.*
