## Mission Lesotho

Wheels for God's Word, Word on Wheels, Medicine and Bibles for Missions (MFM) and Every Home for Christ Anglo Africa had a very successful and fruitful consultation in Lesotho.

It is with great pleasure that we want to thank all our contributors for there

contribution. It was possible for us to equip 31 (thirty one) preachers from Lesotho with brand new mountain bikes. Fires of joy was burning high during the second day of the consultation, when we handed over the bikes, Heart of Man charts and suits to Pastors. It was a great day for the work of the Lord in Lesotho.

### Consultation in Lesotho November 1999

Word on Wheels made available 60 Heart of Man charts, 500 Heart booklets in Sesotho and 5000 Heart of Man tracts. On the photo below Past. Lombard from Wheels and Peet Simonis from EHCI Anglo Africa.

*What a pleasure to travel on wheels to bring the gospel to the nation. Joy of Pastors can be clearly seen.*

*Pieter de Villiers, chief of transport, arrives with another load of brand new mountain bikes (obviously very tired!)*

### Receiving bicycles i.e. Wheels for God's Word

*Left: Pastors and Evangelists receiving their suits and mountain bikes. As can be seen on the photo Pastors dress themselves with the suits. Bicycles have already been chosen. These men of God are now ready and equipped with the necessary tools to bring the gospel to different towns, villages in the mountain kingdom of Lesotho, which is seen as an unreached peoplegroup.*

# Medicine and Bibles for Missions (MFM)

This mission outreach under the directorship of Dr. Hamman working in co-operation with Wheels not only make available medicine, but now also Bibles!

**Above right:** On the photo you can see Bibles, Heart of Man charts, heart books and A4 size tracts of the Heart of Man and bicycles.

**Right:** This preacher was overwhelmed with joy. He could not stop testifying of what the Lord has done through the Heart of Man chart when he first started to evangelize.

Brother Peet Simonis and Pastor Ferdie Warwick trained the preachers how to use the charts to evangelize. Within two hours the preachers who went out lead 70 (seventy) people to the Lord! Many wonderful testimonies were received on the second day. Brother Peet and some of the team members prayed for a young lady who had a dumb and deaf spirit. She was instantly healed in a shop where more than thirty people were present. God still delivers and heals. The gospel of Jesus Christ is

the answer for every disease and every lost person.

**Below :** This is one of the first photo's with results from Lesotho. Pastor Robert Mohanoe sent two weeks after our consultation in Lesotho the following letter to us::

"I am very grateful to write to you and share with you how much we are blessed for your coming in our country, Lesotho. Really, it was God's plan and purpose for you to come and help us in the ministry. It is very exciting to let you know that we are busy and working hard to let people know Jesus.

The bicycles help us very much to go very fast to reach the unreached people, especially in the rural places where I live and work for the Lord.

It is very easy to lead people to Christ through the Heart of Man chart. I pray always before I present the chart to the unsaved, that the Holy Spirit will convict the person's heart."

# A desperate cry for bicycles

## ONE HUNDRED PASTORS IN REAL NEED OF BICYCLES

Pastor Simon Msowoya visited me in Cape Town eight weeks ago, explaining the desperate situation in East-Africa. Men of God are ready to do the work of evangelization, but no bicycles, Heart of Man charts and only a few Bibles, are available.

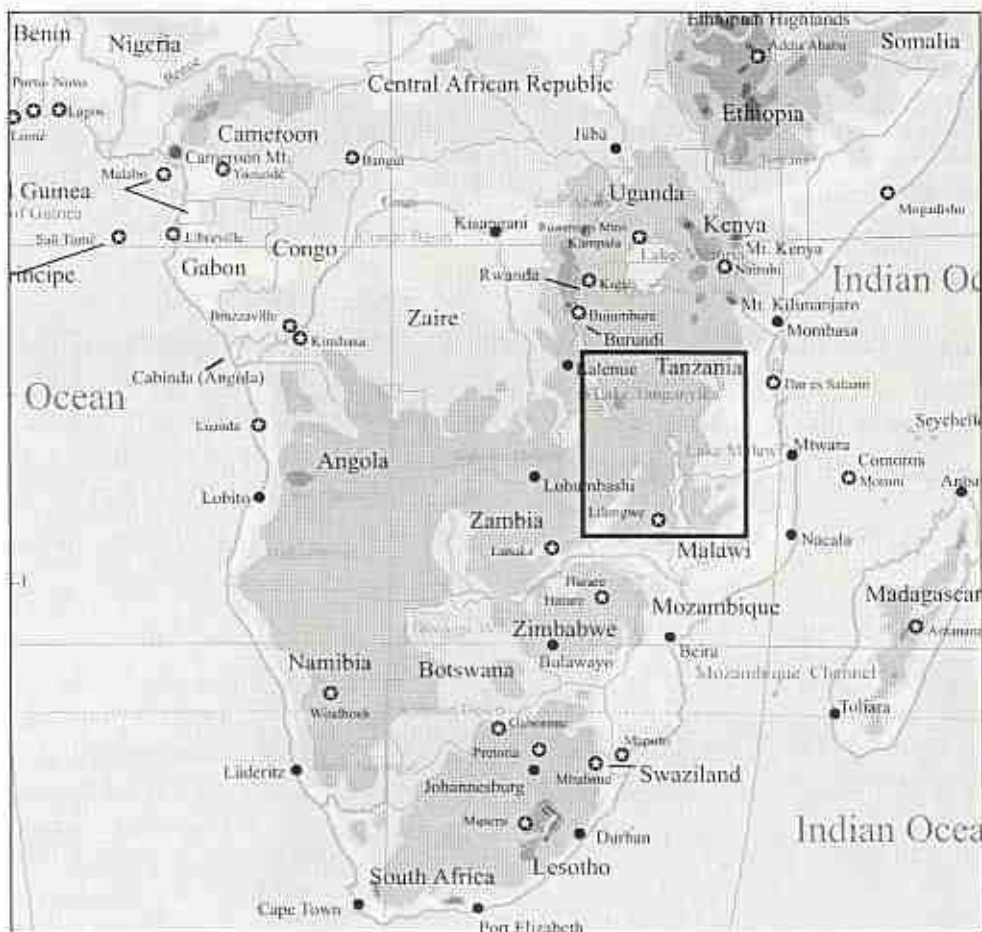

We prayed together and started working on a strategy to help these men. Funds were made available to Pastor Simon to organize a consultation where at least two hundred preachers will be attending.

They will be trained and sent back to evangelize systematic hut to hut, home to home, village to village, to make sure that every person will have the opportunity to hear the gospel of Jesus Christ and to make a decision to except Jesus as Lord and Saviour.

## WE HEARD THE CRY AND MUST HELP!

**ONE HUNDRED  
DONATORS NEEDED TO  
EACH SPONSOR A  
BICYCLE - R350 EACH...**

**...THE PRICE OF A  
BICYCLE IN  
EAST-AFRICA**

These Pastors will work under the Tumbuka, Nkhunde, Makua, Nyaija, Yao and Masaai peoplegroups.

We need your prayers and help for this consultation which will take place between **22 March and 2 April 2000.**

Bibles, Heart of Man charts and booklets will be handed over to the various Pastors and evangelists to equip them with what they need for their outreach among the people. **The outcry of the preachers reached our ears and now it is up to us to help them.**

Wheels for God's Word is in desperate need of R35 000 to equip at least half of the preachers with bicycles. One hundred men of God need our help desperately.

To reach our goal of R35 000 we

need 100 donators to donate R350 (the price of a bicycle in East-Africa), so that we can equip these men to bring the Word of God to these people.

# TESTIMONIES

## Reunion Island

On this small Indian ocean Island of Reunion east of Madagascar something very beautiful and precious happened.

Pastor Daniël Muteba visited the island on request of Pastor Dick Roberts from South Africa. With him he had Heart of Man charts made available from Word on Wheels. Wheels for God's Word made funds available for bicycles. The evangelist on the photo was trained how to use

the Heart of Man chart, he also received a mountain bike which is suitable for the island conditions.

The lady on the photo, who is illiterate, received Jesus Christ immediately into her life the very same day she was presented with the precious gospel of Jesus Christ. A friend of the evangelist took this photo. **Praise be to God for men ready to preach Jesus Christ.**

## Northern Namibia Bushmanland

Letter received from Pastor Boet Prinsloo: "Thank you for the four bicycles! The past four months 91 (ninety one) bushman were baptized. These bicycles were a great help to reach these people in a very short time. Please, we need more bicycles to reach more bushman!"
