TANZANIA

The people of East Africa thank you!

Kyela - Tanzania: Note the sheer joy and heartfelt thanks on this Pastor's face when he received his bicycles. Pastor Mswoya right side of photo. Wheels' 4x4 registration CY can clearly be seen. We are far away from home, Cape Town... 4500 km! Do you see the Coca Cola sign on the photo? We are determined

that everywhere where Coca Cola has gone on the continent of Africa, we can go too... *and further!*

In every village, every town, every city, every country, the gospel of Jesus Christ should be heard as clear as a bell. We should be unmoved, **the gospel must go out and will go out...**

"UNTILL ALL HAVE HEARD"
(Matt. 24:14)

By God's grace we have distributed 200 Heart of Man charts; 200 Heart booklets; 5000 tracts; 400 The Way to God; 200 Bibles; 90 Discipleship Courses - Growing in Grace and **101 bicycles!**

"The people of East Africa thank you!" These words stirred our hearts when we heard it from Pastor Simon Mswoya. As can be seen on the photo's, pastors are praising the Lord for the Bibles, Heart of Man charts, booklets, tracts and bicycles which they received.

We thank our sponsors for making it possible. God bless you!

101 Bicycles for East Africa

This is one of the most wonderful miracles the Lord Jesus has done for our Wheels Team. Yes, it really happened. We bought one hundred

and one (101) bicycles for the ministers of God's Word in Tanzania, Malawi and North Mozambique.

The ship (see photo) carried these bicycles to the island of Likomo, a district of Malawi, less than 10 kilometers from Mozambique - a village known as Cobue.

Below: Pastor Ferdie Warwick of Word on Wheels, explaining the Heart of Man chart *under a tree!* There is no place large enough to accommodate all the people at

Cobue. Hungry for God's Word and eager to do their utmost for God's work these men covered long distances, walked many miles and travelled many days to attend the

Bibles for Missions

200 Bibles were provided by Medicine and Bibles for Missions who work together with Wheels for God's Word and Word on Wheels. We boarded the "Flying boat", 2 x 90 HP Mercury outboard motors which took it "flying" over the water at top speed. It takes 2 hours to reach Likomo island from NKATHA Bay, Malawi. A dhow waited to take us to Mozambique. **46 People boarded the dhow, whilst only 20 passengers are allowed!** The 15 HP outboard motor of the dhow, battled to reach Mozambique an hour later. It was an incredible journey to reach these places with all the Bible literature, Heart of Man charts, booklets, bicycles, etc.. Only the Lord in His wisdom could make this possible.

consultation. We were able to provide the Pastors who attended the outreach with literature and bicycles.

North Malawi

A consultation was held in **Karonga, Northern Malawi.**

"The work has begun", Pastor Simon reported joyfully! It really touched our hearts.

Pastors Raymond Lombard and Simon Msowoya inspect brand new bicycles in a storeroom in Malawi.

These bicycles should last at least five to seven years in the field.

Two Dairy Bell bicycles

We made an astonishing discovery! We found two second-hand bicycles that someone donated to Wheels for God's Word two and a half years ago. These two bicycles were still running in good condition with the gospel. We never expected these bicycles to be in such a good state!

Above: This has become a familiar sight in many countries in Africa. Pastors, after they have been trained by Word on Wheels on how to use the Heart of Man chart effectively, moving out on their wheels.

Note: On the carrier of the bicycle the Heart of Man chart is strapped neatly and tight. They can now travel many kilometers to people with the precious gospel of Jesus Christ. These men now have the means to work more efficiently and to produce wonderful results.

Left: Left and right of Pastor Ferdie are the two pastors who travelled many hundreds of kilometers preaching the gospel of Jesus to the people in Northern Malawi - KARONGA and surrounding villages. We can testify with much boldness - the bicycles are a very great help to accelerate the speed of the gospel in Africa by at least 10 times..

Can the same be done in Zimbabwe?

Zimbabwe is in a desperate situation. We know the real answer is Jesus Christ who alone can change peoples' lives and circumstances.

Our answer is not political - but the life changing gospel of Jesus Christ.

EE3 under the directorship of Rev. Harold Peasley in South Africa has planned an EE3 conference in Zimbabwe during the last week in June 2000. We have been asked to be part of that outreach. Two hundred and thirty (230) ministers plan to attend the conference.

Wheels for God's Word are trusting the Lord once more for **one hundred bicycles for Zimbabwe.**

We believe we can do it again with the sponsorship of our donars.

The price of a bicycle in Zimbabwe currently amounts to R420.00, because of the devaluation of the Zim.Dollar.

The wonderful news after arriving back in the country is that EE3 has already found sponsors for thirty bicycles.

Praise God!

Will you take up the challenge, and invest in God's Kingdom to help these men who have given their lives to spread the gospel?
