ONE HUNDRED BICYCLES FOR ZAMBIA!

Yes it's true! With your help once again we could release another 100 (one hundred) "wheels" for the men of God in Zambia. We moved the Multi Ministry Rally from Zimbabwe to Zambia, because it was the time of the Zimbabwe elections.

In the month of June 2000, *Wheels for God's Word*, *Word on Wheels* and *Multi Ministries* had a joint Rally of churches in Lusaka, Zambia. By joining hands for the above mentioned Rally these ministries could accomplish much for the work of the Lord, 300 (three hundred) church leaders could be equipped with the necessary literature and bicycles to make a great impact on the nation of Zambia.

Right: Pastor Joe Youngblood, First Baptist Church, USA, Pastor Raymond, Wheels for God's Word, Rev. Harold Peasley, Multi Ministries, Rev. Peter Chintala, Dep. Minister of Religion, Zambia, Pastor Shawa, Church of God, National Oversear, Rev. Cecil Peasley, Living Ministries International, Rev. Errol Wessen, Multi Ministries and Past. Mwanza, Southern Baptist Union, Zambia.

Multi Ministries Flames of Evangelism Conference for church leaders through the powerful preaching of God's Word made a great impact on ministers. Evangelist Don Currin (USA), Rev. Errol Wesson (South Africa), Cecil Peasley (South Africa) and Pastor Joe Youngblood (USA), Pastor

Ferdie Warwick (*Word on Wheels*) challenged pastors and evangelists to reach every soul in Zambia with the gospel of Jesus Christ.

The fire of the Spirit of God is now burning in the hearts of these men to take Zambia for Jesus Christ.

Below: Multi Ministry Team and Wheels for God's Word Team rejoicing together for the wonderful miracle of one hundred bicycles for the work of the Lord in Zambia.

Below: The wonderful sight of one hundred bicycles ready to be used for evangelism. Pastor Raymond and br. Eddy Kherlopian (Business man from Lusaka) who arranged a very special price for the bicycles.

A VISION CAME TO PASS

Left: His honourable, Rev. Peter Chintala, Dep. Minister of Religion, Zambia handing over to an evangelist his bicycle and literature.

An evangelist trained and equipped with “tools” to really do the work of evangelism. He received a suit, Heart of Man chart, bible, heart booklet, tracts and a bicycle with full kit!

Our office received this letter from John Mambo two weeks after the Rally in Lusaka. “Permit me on behalf of the Church of God in Zambia, the Southern Baptist Union and indeed on my own behalf to

thank you most sincerely for the generous donation of the hundred bicycles that you have since donated to Zambia. This will go a long way in equipping the Saints for fulfilling the great commission. ‘Go ye into the world and preach the good news.’ How can they hear the Word when we cannot reach them, how can we reach them without the means?

You saw how hungry our people are for the Word of God and the gospel

material. With this donation of bicycles it will indeed greatly help us as a nation. We will continue according to 2 Tim. 2:2 ‘...and the news you have heard from me among many witnesses, commit to the faithful men who will be able to teach others also.’

Thank you once again, and please pass our thanks and gratitude to the team that you brought with you. I am short of words.”

TESTIMONY Immediate results - by Pastor Shawa

It was told us that within hours after the Rally an evangelist traveling by bus back to his province in Zambia, he presented the Heart chart to the people in the bus. As they reached their first stop several people jumped out of the bus, they fell on their knees crying, and accepted Jesus Christ as their Lord and Saviour.

Bibles for Missions

Once again thanks to Dr Ralph Hamman and his sponsors for making available 200 (two hundred) bibles in English, Tonga, Lozi and Bemba

Left: Word on Wheels has provided seven hundred and fifty kilogram of gospel literature to the outreach in Zambia. In: Three hundred Heart of Man charts, three thousand Heart booklets, ten thousand tracts and one hundred discipleship courses.

Left: These leaders are exuberant as they are now ready and willing to reach out and win the lost to Jesus Christ by using the means they have been provided with. Their joy can clearly be seen.

TESTIMONY

Saturating Africa with the Gospel through bicycles and literature, specially - Heart of Man!!

Pastor Raymond Lombard from *Wheels for God's Word*, Pastor Ferdie Warwick from *Word on Wheels*, Pierre de Villiers and I, together with my wife stood inside our house in Mzuzu, Malawi. We were praying since our South African friends were about to leave for their home. We were not just praying for journey mercies from the Lord, but also for the work we had just done in the three countries of Mozambique, Malawi and Tanzania. When we were just about to say 'Amen' something awesome happened, 'the ground on which we were standing, shook'. There was the heavy vibration of an earth-tremour. Quickly the Lord reminded me of **Acts 4:31**. In the Spirit I knew that the Lord was saying 'I am with you'. Indeed the venture was and is His. He has given us a mandate which requires us to **'go and make disciples of all nations teaching them'** all that which He has taught us. On that day, as we prayed, the Lord really answered our prayer. We are able to see how *Wheels for God's Word* and *Word on Wheels* had been of much help to the different church denominations

Right: An evangelist in East-Africa preaching the gospel in a rural village. In his hand he holds a Heart of Man chart. Notice the bicycle on the right hand side of the photo.

based in Malawi, Mozambique and Tanzania. **It has now been much easier for them to carry out their work and reach places they previously failed to reach, because of lack of affordable means of transportation. The art of preaching the gospel has been made easy to the large percentage of our semi-literate workers through the use of the Heart of Man charts.** Great changes have taken place in various churches and ministries since *Wheels for God's Word* and *Word on Wheels* donated bicycles and the 'good companion', the Heart of Man chart plus other gospel literature.

The chart has increased the awareness of God's word among our leadership. This is evident by just hearing what the leaders themselves say, **'teaching the Word is no longer a tiresome job when using the chart'**. It is a common sight to see a leader riding a bicycle with a Heart of Man chart tied on it as he goes out to preach. Church growth is now evident in many places. The provision of tools to these men of God has given birth to the multiplication of workers. This facilitates church growth, but at a very rapid rate. In the past, most of the 'fruit' did not 'remain' as our Lord Jesus said. We usually ended up losing it. Today this is not the case. The churches that had their leaders attend 'The Growing in Grace discipleship course' from *Word on Wheels*, are now able to grow the disciples. The new converts 'remain'. As a result there is a big increase in the number of new converts. Village churches are being opened in several places where these leaders go and minister. For example, Mzimba district in Malawi has been one of the unreached places

Left: Two men of God presenting the Heart of Man chart to by-passers on their way to a rural village. Notice how their attention is focused on the chart as they hear the Word of God explained to them.

Left: Bicycles are loaded on top of a bus to be transported.

One of the Pastors is rearranging the bicycles and tightening them.

mainly due to lack of a road network as well as a high illiteracy rate. Since "Wheels" visit the past 3 (three) months and church leader training, they launched into the area and good results of evangelism have followed with church planting in Dolora, Vungo, Thumbi, Choma, Mtwalo, Lukwe-Lukwe and Mkama. The same trend is taking place in Karonga-West where witchcraft was a way of life. If you go there today you will find village churches at Vilaule, Mpata, Vungo as well as Kaporo, where four whole Muslim villages have been reached through the use of Heart of Man charts and many souls saved. The men of God are busy helping them to learn the real Word of God from the Bible. It is in such places that the ministry of *Bibles for Missions* through *Wheels for God's Word* comes in and proves to be of much help. **There is a high demand for the Bread of Life.** We appreciate the donation from *Bibles for Missions*. They have been very instrumental in enabling us fulfill the great commission.

This impact has not only been felt in Malawi and Mozambique, but also in Tanzania. Here, men of God also sing a song of victory. Pastor Feddy Mwangobola says that through what was imparted to him during the consultation, he has been able to harvest 16 (sixteen) well established converts. He says, "the

use of the chart has proved to be very powerful. The 16 (sixteen) new converts were won within a period of one month. Pastor Upendo Mwakajira reported an average of 5 (five) converts weekly and those came to stay. Pastor Sanga reported 23 (twenty three) converts within a month. The above trend has not remained static, it is very progressive.

Many unreached people groups are being reached and unreached places have become easier to reach due to the fact that the bicycle is a flexible machine and takes the men of God to any place, even when the distances covered are very far.

Reports from the battlefield show that many unreached places are now being reached and revisited, ending up in church planting! After reading this, anyone can easily notice that the workplace has been widened and the work load has increased. **We here in the field are crying out with one voice, our cry is for more "tools" so that we can do the job we need to finish, the job our Master assigned us to do,** so that on that

day we should be able to say, "Father, we have finished the work You gave us." We have the desire to saturate Africa with the Word. Give us "tools" and we shall bring the gospel to each and every doorstep. Through providing "tools" to us, you make the work a hundred times cheaper than sending missionaries to this part of the world.

The men we equip are not prone to climatic and health hazards. They are used to these places and there are no language barriers. We therefore plead with you to support the work that *Wheels for God's Word* and *Word on Wheels* and *Bibles for Missions* are doing in the Third World countries of which results into helping bring the lost in Africa to Christ, at a very fast pace.

Pastor Simon Msowoya, MALAWI
