Advancing the Kingdom of God in Angola

Wheels for God's Word and Word on Wheels conducted two two day conferences in Angola, one in Huambo on the 19th and 20th of June, and one in Luanda on the 21st and 22nd of June. There was great joy after the training sessions when the pastors and evangelists received their bicycles, Heart of Man chart literature and Bibles. These men of God made a serious commitment to take the Gospel of Jesus Christ to the areas where they minister and beyond.

At the Huambo conference 44 bicycles, 106 Bibles, 60 large Heart of Man Charts, 30 pocket-size Heart of Man Charts, and 150 Heart of Man booklets were distributed. In total, 60 pastors and evangelists were trained at the Huambo conference. At the Luanda conference 72 Bibles, 20 large Heart of Man Charts, 20 pocket-size Heart of Man Charts, and 150 Heart of Man booklets were distributed. In total, 50 pastors and evangelists were trained at the Luanda conference.

The highlight of the two conferences was the final church service on Sunday afternoon, 22 June, when more than 700 people attended the service. All the people present made a commitment to be absolutely committed to their calling as disciples of Jesus Christ and to be worthy of the name Christian. Glory to God for making this outreach a success!

DRC Outreach 2008

Wheels for God's Word and Word on Wheels undertook an outreach to Kivu Province in the Democratic Republic of the Congo. Three conferences were conducted - one in Goma (Church of God), one in Butembo (all Christian churches), and one in Beni (Church of God). The combined number of pastors and evangelists who were trained and ministered to at the three conferences was approximately 110 persons.

The following material was distributed at the three conferences: 70 bicycles, 5 motorcycles, 4 tons of salt (for Pygmy evangelization), 134 Bibles (in French, Swahili, and Lingala), 100 pocket-size Heart of Man Charts, 100 large Heart of Man Charts, and 350 Heart of Man booklets (in French, Swahili, Lingala, and English).

Furthermore, the Wheels for God's Word team undertook a journey of more than 200 km (approximately 50 km by foot and 160 km by motorcycle) into the rain forest to minister to the Pygmies - two villages were visited, of which one was Makalel.

Pastor Raymond Lombard preached and presented the gospel in a few Pygmy villages using the Heart of Man chart and translators. To our amazement we saw how nearly two whole Pygmy villages responded to the gospel invitation to accept Jesus Christ into their lives. It was an incredible experience for Pastor Raymond Lombard and his team to see firsthand the impact of using the Heart of Man chart in the rain forest of the DRC. It was very touching to see the immediate response of people accepting Jesus Christ into their lives. There was great joy at these occasions.

More TESTIMONIES

Tanzania

Thanks for the help in buying the bikes. We bought 4 bikes in a box and took it out 150 km to a small town in the Maasai area bordering Kenya. Two pastors assembled them and there was great excitement when we handed them to the pastors who live in the REAL bush area and have to travel where no car could go. We believe that they will be able to increase the area of ministry and reach more souls who would not have heard of the love of Jesus.

Thank you.
