BURKINA FASO FOR JESUS!

Recently, Wheels for God's Word hosted a powerful conference on evangelism in Ouagadougou, the capital city of Burkina Faso. The conference was conducted by the director of Wheels for God's Word, Pastor Raymond Lombard, assisted by Dr. Schalk Burger.

Wheels for God's Word was invited to Burkina Faso by Bishop Amane Mamate, the national overseer of the Church of God in Burkina Faso. The conference began on the morning of Friday, 26 August, with more than 60 people attending the conference over the course of the two days that the conference was hosted. Pastor Lombard taught the attendees the spiritual and biblical meaning of the Heart of Man chart for the purposes of evangelism. The afternoon session of the first day looked specifically at how to use the Heart of Man chart in a practical way for evangelism. On the next day, the 27th of August, the conference attendees were challenged to go out two by two to evangelize the local people with the Heart of Man chart, affording them the opportunity to gain experience in the practical application of the Heart of Man chart. The attendees were excited by this opportunity to evangelize and took up the challenge in a very enthusiastic way.

During the practical outreach session on Saturday, the 27th of August, the gospel was shared with 460 people, of whom 127 accepted Jesus as their Lord and Saviour. One of the most amazing facts about this latter statistic is the fact that the church where the training took place is located between two mosques and the surrounding population is mostly Muslim. Praise God for these wonderful conversions!

Pastors and evangelists each receiving a brand new bicycle.

During the Saturday afternoon session, a presentation ceremony was held where the following was distributed: 45 bicycles, 2 motorcycles, 64 French Bibles, 40 Bibles in Mooré and 8 Bibles in Jula. In addition, 60 large Heart of Man charts, 60 pocket-size Heart of Man charts, and 400 Heart of Man booklets were also distributed. The two motorcycles went to the national secretary and the district overseer respectively.

One of the most remarkable attendees at the conference was a blind evangelist. While Pastor Lombard was conducting the training, someone assisted the man so that he could also learn how to use the Heart of Man chart in his evangelism work. Praise God!

The pastors and evangelists who attended the conference were extremely grateful for the opportunity to receive training in using the Heart of Man chart, as well as being thankful for the practical evangelism tools that they received from Wheels for God's Word.

Please pray that the Lord will bless the spiritual seed that was sown in the lives of these men and women of God so that Burkina Faso may reap an abundant spiritual harvest. Praise the Lord for this opportunity to share the good news of Jesus Christ with the people of Burkina Faso. We serve an awesome God!
